Member coverage

- **Exclusive, low ADA Member premiums**
- **Benefits are payable to age 67:** Or if you become disabled between ages 65 and 75, benefits are payable for 24 months.
- **Up to \$15,000/month in coverage**
- **Own occupation definition of disability:** Receive benefits if you become totally disabled from your specialized area of dental practice — even if you are able to work in another area of dentistry or choose to work in another profession altogether.
- **Residual benefits:** Receive benefits even if you return to work on a part-time basis after a total disability.
- **Choose a 30-, 60-, 90- or 180-day waiting period:** Consecutive days of disability before your benefits begin.

Optional coverage

Members under age 50 are eligible to apply for the following options.

- **Future Increase Option:** Increase your coverage in the future — without a medical exam. Get up to \$1,000 in additional coverage per year, up to a total maximum increase of \$5,000 (subject to financial underwriting and the maximum insured amount of \$15,000).
- **Cost-of-Living-Adjustment (COLA) Option:** Automatically increases your benefit payments (if disabled). Adjustments are based on increases in the Consumer Price Index.
- **Residual Plus Option:** Allows you to count days of total and/or residual disability — in any combination — toward your waiting period, even if they are not consecutive. Plus, the recovery benefit may help up to an additional three months after returning to work following a disability.
